mond, one club, and only one in Minnesota Elects trump trick.

trump trick.

In order to have the best chance to hold the trump loss to one trick. Carter laid down the king of hearts at the second trick.

The idea was to lead a low heart and finesse dummy's eight if East happened to drop the nine or ten if hearts ou the first round of that suit. This would provide against four trumps to the queen - ten or to the queen - nine in the West hand.

MINNEAPOLIS (E-Representatives of 35 organizations Monday ammed officers to a new committee aiming for a \$5.000.000 educational TV network in Minnesota. The new group was called the Minnesota Committee on Educational Television and Walter W. Finke of the Minneapolis-Honeywell Regulator Co. was named to the queen - nine in the West hand.

well Regulator Co. was named to the queen - ten or to the queen - nine in the West hand.

The safety play was a huge success. If declarer had taken the first trump trick with dummy's ace he would have lost two trump tricks to West.

West saw which way the wind was blowing, so he put up the ten of hearts when declarer continued with a low heart towards dummy's ace-eight. Dummy won with the ace of hearts, and South now had his second chance to lose the contract. A trump continuation would have been fatal.

Note how the play goes if declarer leads a third round of clarer leads a third round of the queen of hearts and leads diamonds, forcing declarer to ruff the the diamonds, forcing declarer to ruff the first former general manager of the Mayo Clinic.

Well Regulator Co. was named 5 80 Weather Report 8 165 Weather Report 9 165 Weather 18 16 Weather 19 16 Weathe

third round.

South can now draw the last trump, but only by using up his own last trump. West must regain the lead with the king of clubs in time to set the contract by leading his last diamond.

Dave Carter avoided this trap by abandoning trumps tempor a r ily. After winning the second round of trumps in dummy with the ace of hearts, declarer switched to clubs, finessing the ten around to West. West took the queen of diamonds and led another diamond, but declarer was able to ruff in dummy, thus preserving his own trump in length.

He re-entered his hand with the ace of spades in order to lead the last of hearts. For interval with the ace of spades in order to lead the last of hearts foreign and led another foreign. The second round plength.

The many Clinic.

ace of spades in order to lead their jack of hearts, forcing out West's queen.

South still had one trump more than West at this moment, so that he could afford to ruff the diamond continuation and still draw West's last frumo. The rest was just a matter of cashing good tricks

Most players would find it easy to misplay the South hand shown today, giving the defenders a Christmas present of 100 points. When David Carter, well-known St. Louis expert, played the South hand, however, he preferred to give the Christmas present to his partner by playing the hand with brilliance and care.

Dave wen the first trick with the South brilliance and care.
