Radio Fans Like Speaking Up

By WILLIAM L. DOUDNA (State Journal Radio Editor) The hundreds of ballots which State Journal readers marked in the 1952 radio poll conducted by this department indicate that the readers like the idea of making such a survey. Some of them made their favor even more apparent with notes to that effect which they wrote on or enclosed with their ballots.

It used to be that at least two were going all the time. The murder mysteries and dramas have become so numerous that days go by without one being turned on except for news and weather at breakfast and 'Wild Bill Hickok' and 'The Lone Ranger' in the evening. The best programs come from Canada (and commercials) and South America (you can't understand the commercials). The kids have even lost interest.

Amateurs Dive for Pleasure

There was a time when men in diving suits thought only of work or profit when they went under the sea. There still are thousands of professional divers, but we also have thousands of amateurs who go down for pleasure.

Dozens of kinds of diving suits are made, and they differ widely in cost. The equipment used by a deep sea diver may cost a thousand dollars or more, but an amateur diver may obtain a fairly good outfit for \$200 or \$300.
