What is a Catholic?
 Why are Catholics certain there is the "only" religion? Why are they forbidden to read or see certain books, plays, movies? How does the Church explain its stand on divorce? Why does it oppose artificial birth control?
 In January Reader's Digest, John Cogley, a noted Catholic layman, answers the most frequently asked questions about his faith. He corrects false ideas (Catholics don't believe the Pope can do no wrong, don't think only Catholics go to heaven) and explains often-misinterpreted concepts such as the Mass, purgatory, confession.

Take Heart; Some Persons Must File TWO Tax Forms

WASHINGTON (AP)—Several million taxpayers face a double obligation to the federal tax collector in 10 days.
 Jan. 15 is the deadline for filing amended estimates of income taxes for 1952, and also for paying the final installment on estimated taxes for last year.
 Most Need Not
 You won't have to bother about an amended estimate, however, if you file your regular 1952 tax return and pay the tax due by Jan. 15. An amended estimate is needed only if your previous estimate was off more than 20 per cent from actual income.
 The big majority of U. S. taxpayers are wage-earners, most of whom are not required to file tax estimates. Most of the estimates come from persons in business for themselves, or from those with considerable investments.
 Some Must
 Tax estimates ARE required from wage earners only if:
 1. Their wages were not subject to withholding last year.
 2. They have more than \$100 income apart from their wages from which taxes were withheld. Ex-
