JACOBY ON BRIDGE

An unusual end situation was brought about in today's hand when it was played last December in the National Open Pair Championship in Miami...

West opened the king of spades after his rather daring penalty double had been passed all around. When he saw dummy's doubleton in spades, West promptly shifted to trump in order to reduce dummy's ruffing power.

West had already discarded his low spades and was now down to the A-J of spades and his four original diamonds. If West discarded the jack of spades, allowing himself to be squeezed, declarer could lead a low spade to force out the ace...
