A FAMILY AFFAIR

Fidgeting, nose-picking and a tormenting rectal itch are often tell-tiels signs of Pin-Worms...ugly purasities that medical experts say infect one cut of every three persons examined. Entire families may be victims and not know it.

To get rid of Pin-Worms, these pests must not only be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do... and here's how they do it.

First.—a scientific conting carries the tablets into the bowels before they dissolve. Then.—Jayne's modern, medically-approved ingredient goes right to work—kille Pin-Worms quickly and easily.
