# Jet Speed Ace to Visit Madison

Col. Willard W. Millikan, Washington, Air National Guard jet speed ace, will attend the air power banquet in the Memorial Union here Jan. 28. It was announced Tuesday afternoon.

Millikan, who recently set a west to east speed record in an F-86F fighter plane, will fly here from Washington in a T-33 jet trainer. Aile Mucks Jr. of the Madison Chamber of Commerce and Foundation said.

The 35-year-old flier will be among a group of aviation celebrities to attend the banquet, headed by Gen. Nathan F. Twining, Air Force chief of staff, and Brig. Gen. Joe Foss, World War II fighter ace.

# Jobless Benefit Requests Decline

The number of persons filing for state unemployment benefits dropped 7,500 last week, an Industrial Commission spokesman said Tuesday.

Paul Rauschenbush, head of the commission's unemployment compensation division, reported that 47,000 persons filed for benefits in the week ending Jan. 16. The total had been 54,600, an all-time high for the state unemployment compensation program, in the previous week.

Rauschenbush said there were "good many" workers who had been laid off by the Nash Motor Co., at Milwaukee and Kenosha, and represented in the previous total. They returned to work after New Year's.

He said January, February, and March usually were the highest months for unemployment compensation claims.
