USED-CAR SECRET OUT!

No matter who you buy it smart from someone you can trust. And that's the secret to getting a good used car. Remember these points: Ford Dealers are interested in treating you right—they'd like your service business and they hope you'll be a new-car buyer someday! And, unlike some play-used-carlots, they have skilled mechanics who can put the cars they're selling in A-1 shape.

Finally, you'll find their prices are generally lower, for Ford Dealers don't depend on used-car profits alone—and they have to sell quickly to make room for all the trade-ins on new cars that they're getting. See Bryan V. Johnson's Column, Page 2
