Television producers of a show called "Death Valley Days," an old radio favorite, restored a bit of the past for the fun of the programs. In 1905 the famous Death Valley Scotty rolled across the country in just over 44 hours, a new record.

The breaking locomotive was dragged out of retirement and rejuvenated to the tune of \$30,000. After the film was made, the locomotive was declared dangerous... and returned to its resting place in Texas. Strange things are done in the interest of authentic video entertainment!

Have you seen the latest G-E Television Set? Come into our showrooms and see really beautiful clear bright pictures. There is a fine selection of table models, consoles and all in your favorite wood. Top trades are being offered too.

Ziv TV Productions is filming a new science-fiction series with scripts from well known writers in this popular field. It isn't being done in a small way, either. First show has such well known players as William Lundigan, Ellen Drew, Tom Drake, Bruce Bennett and Basil Ruysaert.

We have a sensational new G-E Automatic Washer in stock. It has filter-flo which filters and circulates the wash water 5 times during the wash cycle. Lint and soap scum are filtered away, heavy sand is flushed away, Texas and trades too.

Dennis Day's explanation for being off TV this year? I was on NBC Mondays at 8 p.m. I was the program you switched from to watch I Love Lucy. They replaced me with Mervyn, I made the audience sick and now NBC is cashing in on it!

**"MERCY WEARS APRON"**

"Mercy Wears an Apron," the story of a public health nurse and the role she plays in the field of medicine, will be presented on NBC-TV's "Medic" series Monday (9 p. m.).

In this drama, a nurse helps to rehabilitate an ex-nation picture actor who has become a paraplegic as the result of a hunting accident. Starring Ann Morrison and Onslow Stevens in the principal roles, the story reveals how a nurse can help a patient make a psychological adjustment to an injury as well as give him physical care. The patient, formerly a man of great talent and wealth, is discouraged and depressed, but through the nurse's encouragement finally sees the way to a full life despite his injury.
