TURNING THE DIALS

BY FRED H. RUSSELL

Dorothy Roberts is one girl who always whistles while she Dorothy Roberts is one gard which work is whistling. Miss who works because—on radio, at least—her work is whistling. Miss who works because—on radio, at least—her work is whistling. Miss who works the work is the girl who, every Thursday night, opens CBS white the work is the girl who, every Thursday night, opens CBS white the work is the work white the work is the work white the work is the work in the work is whistling. Miss who was the work in the work is whistling. Miss who was the work is whistling. The work is white the work is who was the work in the work is white the work with the 13 weird notes of the theme of the program. Again, Itela into just before the drama begins, she whistles—this time just 11 [Suddren's lines] notes—and again at the close of the broadcast, 13 more notes. News: Symphony Displied That is all-just 37 notes, once a week-but they rank among the most cezie notes ever put together for a music theme.

As a matter of fact, Wilbur Hatch, musical director for "The Whistler" and although she did not possess and the man who composed its the pretilest-sounding whistle, her and the man who composed its the prettiest-sounding whistle, her weird melody, says only about ore tone gave the eerie touch that the person in 20 is even able to come close to the exact melody.

The reason, Mr. Hatch explains. is that the tune has a very bad interval of an augumented fourth. It may be a "very bad interval," but it has paid off well in quick identification of the series by the listen

Miss Roberts has been whistling the E minor "Whistler" theme ever since the program started back in 1942. She was selected in an audition

notes demanded. So she got the job and has held it ever since. The best description of her whist-

ling is given by Hatch, who says her tone gives the effect of whistling for "the man who walks by night."

International Series

The American Broadcasting company is negotiating with Gladys Swarthout and her hus-Frank Chapman, for a weekly half-hour show to star the pair which would originate from heir villa outside of Florence, italy.

Entitled "Renaissance of 1955," it would be an interview and musical segment, on tape, concerned with the rebirth of the arts in Italy. Featured would be professional musicians and singers, plus students, who are in Italy for studying and polishing.

The Chapmans, who lived for many years in Redding, would be the hosts and producers.

Gary Crosby Signs

Gary Crosby, 21-year-old son of Bing Crosby, has signed an exclusive CBS radio contract and starting Monday will become one of the members of the family on the "Tennessee Ernie Show," on Mondays, Wednesdays and Friday at 7

In addition to his broadcasts with Tennessee Ernle, Crosby will News: Stooth House of Music start work immediately on plans Catholic floor for a new CBS radio program Opera Festival which would star the young singer. The new program, to be known as The Gary Crosby Show," is expected to start within the next few

Curtain Call "Peter Pan Curtain Call." a 15minute recap of the music and highlights of NBC-TV's presentation of the Sir James Barrie Fantasy which starred Mary Martin and Cyril Ritchard, will be heard over WRCA radio this evening from 5:45 to 7 o'clock.

The program will feature Fleetwood readings of the critics' acclaim of the work and the RCA Victor album of the music sung by Miss Martin and Mr. Ritchard, and the original cast.

Western Series

to the West, the sea, the air and of prople famous and little known. will premiere over WABC radio on Tuesday night from 7:30 to 7:55 o'cleok. The new series will also be heard on Thursday nights at the same time. The new program will replace the "Silver Eagle" show, which is leaving the air.

Day and Night

Acting on permission of the Federal Communications Commission, WNEW, the New York radio station, has commenced broadcasting with a power of 50,000 watts 24 hours a day. Previously the stution's 50,000 watt broadcasting was limited to the daytime hours, reverting to 10,000 wait strength during the nighttime broadcasts.

Returning to Radio

"Truth or Consequences," one of broadcasting's first comedy quiz and stunt shows, will return to the radio channels on Wednesday, March 23, at 9:30 p.m., over NRC radio, Jack Bailey will be master of ceremonies for the radio show, which is an edited version of the audio portion of the program's television show.

First premiered on radio in March, 1940, "Truth or Consequences" set the trend for audience participation stunt shows based on parlor games. Originally Ralph Edwards, creator and producer of both the radio and video shows. was emere. In recent seasons he has restricted his performances to his "This Is Your Life" program, meanwhile retaining his responsibility as executive producer of

"Truth or Consequence." Balley, a former circus backer, author, actor, tax expert, unimated cartoon "voice" and emere, has starred on the television version of "Truth or Consequences" since its | premiere on May 18, 1954,

Candlelight Music

"Deep Purple," the newest program to originate at WNAB, will take the air Monday evening, according to Harry Luke. the station's program director. To be heard Monday through Friday evenings from 6:45 to 8 a'clock, the new series will feature music

JOURNEY TO PHILADELPHIA:
Dramatic saints to memory of Thouges Masaryk, first provident of Republic of Cochesiovabia Telecast IIIIII

Ted Mack, one of the best-known masters of ceremonies in show-business, will be the host of a diversified musical program on NBC-TV, Mondays through Fridays, when "Ted Mack's Matinee" begins Monday afternoon, April 4, at 3 o'clock. Long associated with introducing amateur talent to radio and television audiences via the "Original Amateur Hour," he will turn his attention, during the new afternoon program, to "undiscovered" professional performers. Each performer whom Mack selects for appearance will be given a portion of the program for five days in a row, as a showcase for his or her talent.
