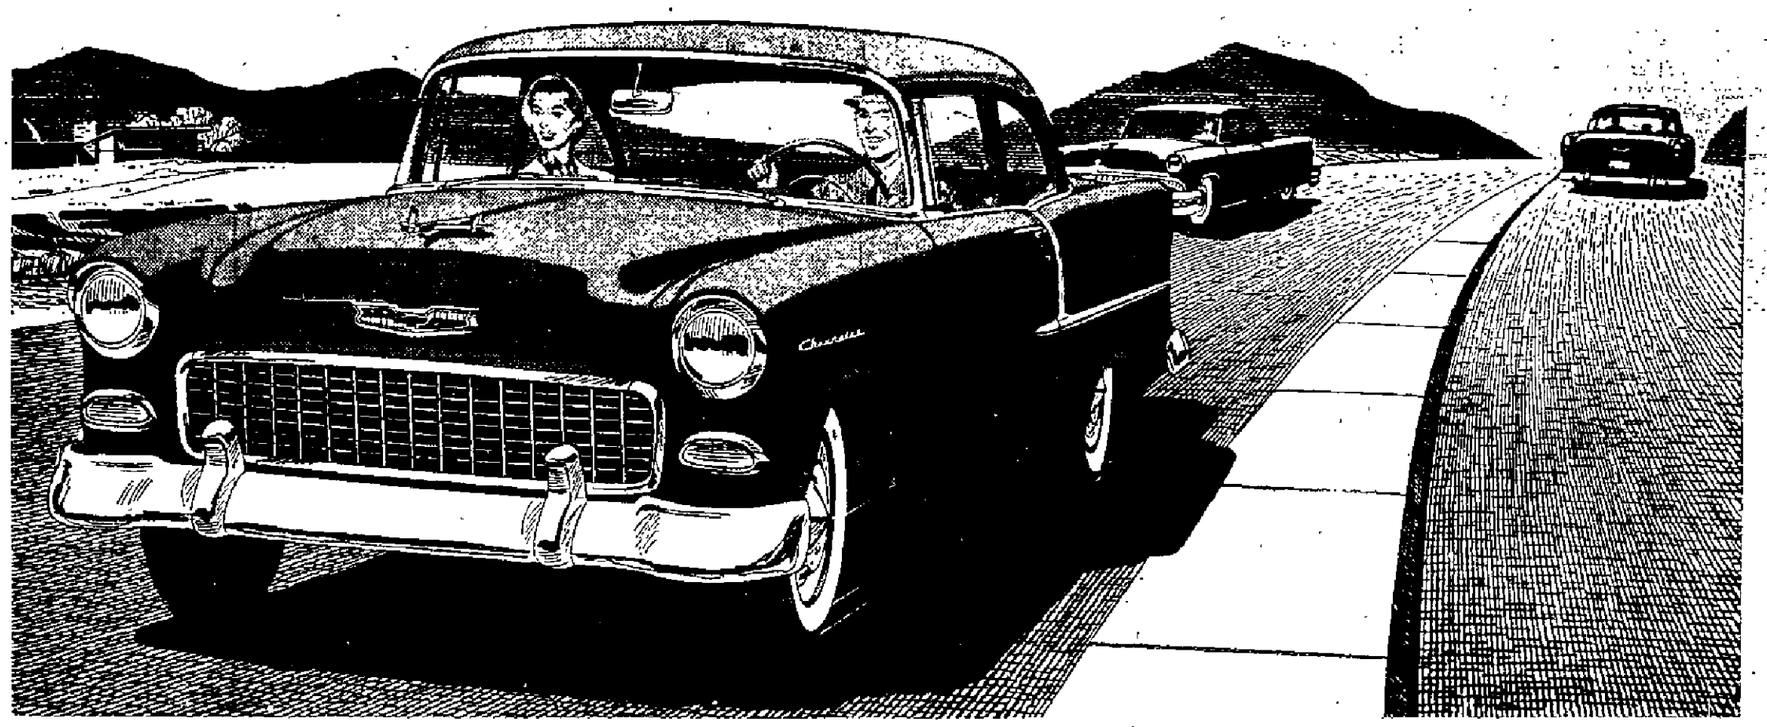
Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!



Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today.

You want facts, don't you? And not ours. Facts instead from an independent, outside source where the only things that count are who came in first, second, and so on. Here they are—

Daytona Beach. NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! On a *time* basis it beat every high-priced car, too—but one!

Daytona Beach. NASCAR Straightaway Running. Open to cars delivered in Florida for $2,500 or less. Chevrolet captured the first two places. 7 out of the first 11 places!

Daytona Beach. NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places! None of its major competition (*what* competition?) even finished "in the money"!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first! Way, *way* ahead—as in sales! With a new car, and *no* pit stops!

Fayetteville, N. C. NASCAR Late Model Event. After running the fastest qualifying round (with a *new* car) Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. *Try* a Chevrolet . . . and live in a land of going-away where you win all the arguments! Soon, maybe?
