"Makes Shopping Easy" says Kate Smith "Shopping is easy when you let the Yellow Pages of your phone book help. They'll tell you where to find jewelry, books, phonograph records or even puppy dogs. The Yellow Pages will also give you the name and address of the nearest dealer for any of the nationally advertised products you've seen on television, or in magazines. If you want to get a camera, for instance, just look under "Photographic Equipment and Supplies," then under the trademark of the brand you want. It's that simple! All year, the Yellow Pages of your Telephone Directory can help you find things quickly and easily. Florists, meat markets, hospitals, dancing instructors - just about anything you need for business or pleasure can be found there. Resolve to save time in '55... use the Yellow Pages!"
