Attention — Asthmatics!

After trying the various methods of medication for asthmatic disorders which, at best furnish relief — not always that, there is apt to be an impression that permanent results are impossible in Asthma. This is far from being the case.

Most cases of asthma are directly traceable to nerve pressure on the bronchial nerves. These cases can be corrected by our Chiropractic Spinal Adjustments. Let us remove the CAUSE of you: Asthma. Telephone FOrest 6-3465 for an appointment.
