Whispering Street What's Going On Weekday

Dick; Nadig

The bait? A jar full of grasshoppers found embedded in the ice of a glac'er in Montana, They were sent to Dr. Street by some friends who are members of the American Gallagher-O Brien Business: Bkfst Assn. for the Advancement of Science. They dug them out of the glacier and say the bugs must Mr. Morning have been caught in the ice when New York Pulse Dorothy and Dick Kovacs: News Rise and Shine trapped in a downdraft.

Dr. Street, an ardent fisherman, tried them as bait more or less as a joke. His success proves fish don't know the difference between fresh bait and stale.

FROZEN BAIT WORKS

DANA POINT, Calif. (AP)-The bait worked just fine-even though

it was six centuries old. Dr. Rich-
