panel discussion program has been arranged for the meeting of the Andrew Warde High school Fathers' club Jan. 7 at 8 p.m. in the school.

Developed by Isadore Plotkin, the program will consist of a panel of fathers and students who will answer written questions on all school problems submitted by the audience. Mr. Plotkin said this will give everyone an opportunity to get complete information on any problem.

story, "Baby Lon, today at the Warner and Merritt thateaters.

Karl Malden, Carroll Baker and Eli Wallach star in the Warner Bers. presentation. "Baby Doll" is a young woman if nineteern who enters into marriage and the strangest agreement ever made between a man and his wife. The story, written especially for the screen by prize winning playwright Tennessee Williams, lake place in the deep south. Director Kazan filmed most of the drama on location at Benoit, Mississippi a site which most closely resembled the author's description.

romantic scenes with Miss Bacall among the most poignant of the season.

Miss Bacall is at her best in the part of a sophisticated woman who attracts all types of men and her svelte beauty enhances the hard-hitting emotional sequences.

Stack makes the most out of the best acting opportunity of his career. His portrayal of the profligate heir to a vast oil empire ligate heir to a vast oil empire ligate heir to a vast oil empire ligate heir to a vast oil empire stature. As an intelligent young man of weak character, Stack brings a psychotic of the most futile kind to the screen.
