Fan Fare

A hundred Hollywood socialites of radio and screen will attend something new in the way of parties when CBS Star Theater canary Frances Langford and hubby Jon Hall throw a "boat warming" on their new schooner this weekend in the San Pedro, Calif., shipyards.

Fibber McGee and Mollie have their entire family together in Hollywood now...their daughter, Katherine, arrived this week from her school in Washington, D. C.

Radio stars and royalty took turn about listening to each other over the week end: Eddie Cantor was a guest (not an entertainer) when the White House entertained the king and queen and after the royal pair reached New York, Ray Noble entertained them with a five-minute program over NBC.
