Look at You Before You as Time's a'

Along with a shift in time, radio today will bring back a group of favorite programs and will present the premieres of other broadcasts.

New York city and Chicago returned to standard time early today, and that meant time changes for almost every program on the air, as far as the Madison area is concerned. In most instances, you will find regular broadcasts one hour later than they have been during the summer.

Among today's gueststars will be Lawrence Tibbett, baritone; Helen Hayes, actress; and David Niven and Anita Louise, of the films.
