Modern Romeo, Bride to Tell How Love Won in Broadcast Tonight

Kate Smith's afghans are the talk of the feminine population of Radio Row. The singer-commentator, shown here, has been an avid knitter since musical comedy days, when she spent her time with her needles between appearances behind the footlights.

A modern Romeo and Juliet will appear on the "We, the People" broadcast tonight at 8 over station WBBM. George Lowther and his bride, the former Eileen Herrick, will relate how love triumphed over parental objections. Others on the program will be Maj. Alexander De Seversky, airplane designer, Gar Wood and son, speed boat enthusiasts, Jane Pickens, swingstress, and Paul Shoenstein, newspaperman.

Other outstanding programs for tonight and Wednesday time follow, classified:

Quiz
