NEW BREMEN TO LEARN METHOD TO BLACKOUT

FORT LORAMIE, Jan. 15 — Officials of the Marion Reserve Power Co. met in conference with the mayor and council here to plan the installation of "blackout" equipment, to enable placing the village in complete darkness in the event of an emergency.

Mayor William H. Quirlin held up the appointment of a police chief pending settlement of a salary increase demand made by Rhine Bollheimer, who has held the office several years. A recessed meeting of the council will be held Monday evening to establish a salary and select a chief.

Appointment of a street commissioner also will be announced at the Monday meeting, Mayor Quirlin said.
