

Will Be Guest On Broadcast Thursday

More Cast As Mayor Of "Tank Town"
; Outstanding Visitors Booked For
Appearance With Crosby

Isn't big enough to support two rival bands of Rudy Vallee's and Kay Kyser's. Thereby to be unfolded on the Vallee program of 10 p. m. over WEAF.

Setup; Tank Town is a bustling little community by John Barrymore as mayor, judge police officer and general factotum. The town auditorium is run by the Great Man. He plans a big show-uptorium and requires the services of a top-notch band. Both Vallee and Kyser try to wan-

gle the job. Rudy is represented by his business agent, Joan Davis, but Kyser is a lady-killer.

John Garfield of the cinema, Lieut. Harold B. Roberts of the U. S. Marine Commission and Wingy Manone will be guests of Bing Crosby Thursday at 9:00 p. m. over WEAF.

Bill Thompson, long a radio favorite with listeners to Fibber McGee and Molly, will be Al Pearce's guest and chief stooge when the Pearce Gang assemble on Thursday, 7:30 p. m. Pearce will make every effort to make Thompson feel at home with the Gang even if it means ganging-up on him, and that's what they plan to do.

Representatives of the world's oddest occupations are continually turning up on the Frank Fay program. On Thursday, at 10:30 p. m. over WEAF there will be a hieroglyphist, i. e., a person who reads picture writings in such out of the way places as Babylon, Cuzco and Chichen Itza. A person who reads English is enough to baffle Fay so you can see what he'll be up against. Henry Aldrich makes history
