Continuing her musical career under tutelage of the eccentric piano teacher, Professor Haydn, Gracie Allen begins to display true artistic temperament on the "Burns and Allen" broadcast, Tuesday, at 7:30 p. m. over WEAJ.

Fibber McGee has a secret — a solution for the rubber shortage. While loath to reveal any pre-broadcast facts about how the "McGee Emulsion" will replace rubber entirely, he will, however, parade the details of his discovery during the "Fibber McGee and Molly" laffcast Tuesday at 9:30 p. m. over WEAJ.

Billy Mills' orchestra will essay "Dark Eyes" as the featured band number, and the King's Men sing "Open Up Your Heart and Say, 'Ah'."
