

# Moore to Launch WIBA Tonight

Garry Moore, the diminutive purveyor of hilarious nonsense, will launch his own show at 8 tonight over WIBA.

Long known as the master of ceremonies of the Club Matinee sessions, Garry will be supported in his new venture by a large company. Topping the cast will be Hugh Studebaker, creator of "Silly Watson," the wistful Negro character.

Musical portions of the program will feature the songs of Marion Mann, contralto, and George Barnes, wizard of the guitar.

The Rev. Robert M. Atkins, pastor of the First Methodist church of Madison, will speak on the "Worship and War" series over Station WIBA at 7:30 tonight. His topic will be "The Bases of a Just and Durable Peace."
