The powerful force which spiritual faith and established religion exert on the war effort will be the subject of "America's Town Meeting of the Air," broadcast from the Chautauqua Institution here on Thursday at 9:00 p. m. over station WJZ.

The topic: "The Churches and the War," will be discussed by Dr. Reinhold Niebuhr, professor of Applied Christianity at Union Theological seminary, and Dr. Albert W. Palmer, professor of practical Theology and president of the Chicago Theological seminary. George V. Denny, Jr., will be moderator.

Earl Wrightson, the former page boy in Radio City who is now one of the leading young baritones in the east, will be heard as soloist with the Concert Orchestra on Thursday, at 7:30 p. m., over WJZ. Joseph Stopak will direct the orchestra.

Men who should know say we'll really build more than 60,000 military planes this year, the order called for by President Roosevelt.
