## FALL WEATHER TO DRAW BUYERS FRIDAY NIGHT

Autumn weather was expected by Lima merchants Thursday to bring even more shoppers into their stores Friday night than on last week's inauguration of the factory workers' night to buy.

Thriving business was reported last Friday night, with many workers in industrial plants and their families availing themselves of the opportunity given by merchants to those who are busy during hours normally devoted to shopping.

Again Friday and on succeeding Fridays the downtown retail stores almost without exception will open at 12:30 p. m. and remain open until 9 p. m. Morning and afternoon hours will be observed as usual on other days.
