A Little Saturday Talk: Letters from Two Readers

Here is a letter which tells about an event eight years ago:

"Dear Uncle Ray:

"I want to tell you about a strange sight I saw on Aug. 3, 1936. In the evening at about 8 o'clock, I was riding through the western part of Birmingham, Ala., with my mother and father when we saw a half-circle across the sky. The moon was shining brightly. We stopped the car and got out to see what it was. It was a rainbow, and we could see all the colors. It had been raining, and the moon had made the rainbow. All the papers had stories about it the next day.

"Your faithful reader,
"Ronald Roebeck."

Thank you, Ronald, for this note. Moonlight rainbows are rare, and I should like to share
