

# Programs Return Hard Time Today

reverted to Eastern Standard Time at 2 a. m. in Lima an hour later. The programs listed in Radio Column already have the time schedule

cheduled to give Charlie McCarthy a rugged half-hour as program guest at 8 p. m. Sunday when the WEAF.

Today, Allen

will return to the air-waves after a year's leave to take over the half-hour airtime following the Bergen - McCarthy broadcast. If Allen rubs Bergen's splinter the wrong way, he'll hear Charlie threatening to "mow him down." Of course, McCarthy is mindful of the fact that he will have to land his blows first. The "Mighty Allen" has the advantage of the "last word," in any case.

George S. Kaufman, famous playwright, director and satirist, will visit the "Opinion Requested" program at 7 p. m. Sunday over WOR to join Charlotte Adams of the Associated Press, and the noted economist, Leo Cherne, in answering questions currently troubling servicemen and their families.

The first two General Motors Symphony of the Air concerts to be conducted by Alfred Wallenstein, director of the Los Angeles Philharmonic orchestra, will be heard at 4 p. m. Sunday over WEAF. Wallenstein's second guest-conducting engagement will be on the following Sunday.

"The Heartbeats of Death," the story of a scientist who has discovered a serum that cures every sickness, is the title of the newest adventure of "The Shadow" heard at 5 p. m. Sunday over WOR.

Uncle Louis sees a chance to capitalize on Baby Snooks' absences and rents her room to Kay Kyser on "The Baby Snooks

Show," to be heard at 6:30 p. m. Sunday over WABC. Kay, touched with Daddy Higgins' despair over the disappearance of his precocious but lovable brat, joins the hunt for Snooks by advertising in the papers, offering \$100 for information leading to her return.

## Tag Sale Nets \$581 For DAV

A total of \$581.01 was taken in during the recent Forget-Me-Not sale sponsored by the Lima chapter of the Disabled American Veterans, according to Russell W. Grainger, general chairman.

Profits from the sale, the first of its kind since 1937, will be used for rehabilitation and for helping veterans in other ways.

Grainger announced Saturday that the organization wishes to thank the salesgirls, of which there were approximately 35, for contributing their services in selling the flowers on Lima's streets, and the contributors who bought forget-me-nots, thus making the campaign successful.

Richard Notter is post commander.

Swiss people eat four times, and English people twice as much cheese per capita as Americans.
