

# Programs To Leave Air -- May Not Return, Say Reports

Shortages, production difficulties and tax revisions are bringing changes to radio programs which will affect not only Lima listeners, but those all over the nation.

Ranking in the available class doomed to leave the air and not to come back under their present sponsors are shows which star Joan Davis, Hedda Hopper, Jean Tennyson, Hildegard, Andre Kostelanetz, Bob Burns, Dinah Shore, Fanny Brice, Quentin Reynolds, Phil Spitalny, John Charles Thomas and Paul Lavalley and his Stradivari orchestra.

In all a reputed \$10,000,000 worth of shows is departing from the networks and the officials are whistling by the graveyard with "statements." The continuing shortage of goods is the reason given by the large firms.

To be heard on the networks this Monday will be Jackie Coogan when he volunteers as a guinea pig for a scientific experiment on the "Forever Ernest Show" on which he plays Ernest Tripp, the likable, bungling soda clerk. The show is heard at 7:30 p. m. on CBS.

Brian Aherne and Ethel Barrymore also will be heard on the Radio theatre when it presents "None But the Lonely Heart," at 8 p. m. Monday over CBS.

Bob Hawk's comedy quiz heard at 6:30 p. m. Monday over CBS finds the quizmaster popping questions at people with cash and cigaret awards for the lucky ones.

Lovey Jane Froman appears as guest soloist on "Tonight on Broadway" at 9:30 p. m. Monday over CBS.

Gregory Hood, gentleman detective and head of the immense Hood Importing company in San Francisco, will bow in as the star of an exotic new adventure series when MBS presents "The Case Book of Gregory Hood" as the summer replacement for "The New Adventures of Sherlock Holmes" at 7:30 p. m. Monday over MBS.
