COLD-PROOF OIL DEvised

LOS ANGELES—(U.P.)— Technologists have announced the discovery of the motorist's dream, a motor oil that stays fluid in temperatures as low as 60 degrees below zero.

The new oil is said to retain high film strength, heat resistance, cling, penetration and carbon removal, yet it is fortified against oxidation, foaming and varnish.

STILL BUSY AT 83

WHITTIER, Calif.—(U.P.)—At 83, Sarah Jane Parker qualifies as one of the nations oldest career girls. She still helps out in emergencies at the insurance office where she worked until 10 years ago, although officially she's "semi-retired." She also keeps up her club activities.
