Hillsboro Boy, 8, Hurt in Coasting Accident

MILLSBORO — Robert DeFligger, 8, son of Mrs. June DeFligger, Madison, is in a serious condition at the Hansberry hospital, Hillsboro, after suffering a ruptured spleen in a coasting accident Monday.

The boy, who lives in Ontario with his grandmother, Mrs. John Hoffman, walked alone to an Ontario physician's office after the accident. The doctor, believing an automobile would not be able to make the trip to the Hillsboro hospital because of icy roads, called an oil truck to make the 14-mile trip.

Mrs. DeFligger, who is employed in Madison, was called to her son's bedside.

SAN JUAN BAUTISTA, Calif. —(U.P.)— Catrino M. Lugo, 44, fired his .45 pistol into the air "wild west" fashion in front of a restaurant and was arrested fast. He didn't know 30 county peace officers were having their annual banquet.
