Red Cross Offers Welfare Services to All UN Troops

The welfare services of American Red Cross field workers in Korea were offered this week to the troops of other nations responding to the United Nations call for assistance in the Korean conflict, according to a National Red Cross bulletin received Friday by the Dane County Red Cross chapter.

In a letter addressed to the Red Cross societies of the nine countries involved, the American organization outlined a four-point program it could offer other UN troops until their own Red Cross workers join them in Korea.

The program includes counseling on personal and family problems, transmitting or requesting information through Red Cross channels, distributing comfort articles, and providing such recreation facilities as may be requested by the military.

The offer went to the Red Cross societies of Great Britain, Australia, the Netherlands, the Philippines, Thailand, New Zealand, Bolivia, Canada, and Turkey. All of these countries have announced their willingness to send forces to Korea.

Currently there are 21 American Red Cross field workers in Korea, including three women, providing traditional Red Cross services to American troops. Eleven more workers are en route.

100th State Fair to Open Today

MILWAUKEE —(U.P.)— Wisconsin's state fair, which began in a cow pasture near Janesville 100 years ago, reopens today for a century of progress celebration approaching world's fair caliber.

About 750,000 youngsters and adults are expected to jam the colorful 232-acre state fairgrounds for nine days of thrills, live stock and dairy judging, industrial exhibits, and fun.

"Many of our exhibits will be almost as good as you'd find at a world's fair," Fair Manager Jack Reynolds said.

At the first state fair in 1851, about 15,000 persons met on a grassland track near Janesville for the judging of 256 head of live stock and samples of home-made farm implements, dairy products, and corn meal.

The new cases are widely scattered.

There are four in Milwaukee county, three in Kenosha, two in Fond du Lac and one each in Burnett, Dodge, Douglas, Racine, Sheboygan, La Crosse, Wood, Vernon and Crawford counties.
