## Why "BC" Relieves Headache and Neuralgia So Quickly

Many people wonder what there is about the "BC" formula that enables it to relieve simple headaches, neuralgia pains and minor muscular aches so quickly. The answer is simple. In "BC" Headache Powders and Tablets you get the full relief-giving effectiveness of not just one, but several of the world's most popular pain-relieving ingredients. In combination these quick-dissolving, fast-acting and medically tested "BC" ingredients are remarkably effective—far more so than either would be alone.

Remember this important fact the next time you have a headache. Also remember that when taken as directed, "BC" can be safely used. It is a preparation you can use with complete confidence. You'll find that nothing is more comforting or relieves faster. And now you may have "BC" in either tablet or powder form. In both you get the same famous "BC" formula—the same fast relief. Two "BC" Tablets equal one "BC" Powder. Convenient 10c & 25c sizes.
