LET'S KEEP OUR HEADS!

THERE IS NO CLOTHING SHORTAGE NOW!

People are worried...
Many are buying because of fear...
That's bad!

It's bad because, while there is plenty of merchandise to take care of normal needs, there can never be enough merchandise to take care of scare buying.

As California's leading clothier for 95 years, HARRIS & FRANK knows from experience that scare-buying is unwise, unnecessary and is a threat to the entire economy. We know that fear-buying can only result in scarcity of merchandise and eventually—rigid controls.

Whatever happens, one form of control can and should be put into effect immediately—self control!

Let's buy just what we need. There's plenty of goods to take care of that. Let's not rob our neighbor of his fair share of today's goods. Let's be good neighbors as well as good citizens.

We at HARRIS & FRANK are well able to take care of your normal clothing needs—and we invite that kind of patronage.

Let's be sane and sensible. Let's recognize fear as a dangerous enemy—and act accordingly!
