WISCONSIN ranks fifth in the percentage of U. S. families owning radio receivers, Pres. A. C. Nielsen of the A. C. Nielsen Co., Chicago research organization, said Friday in announcing results of a nationwide survey.

Exactly 99.2 per cent of the state's families—997,090 out of 1,004,900—own radios, Nielsen said. This percentage is exceeded only by Iowa, with 99.5 per cent: Maine and South Dakota, with 99.4 per cent each, and Oregon, 99.3 per cent, Kansas, Nebraska, and Idaho follow Wisconsin with 99.1 per cent each.

The Wisconsin figure is 1.2 per cent above the national average, Nielsen said.

The survey showed that New York has the greatest number of radio families, 4,435,240, and Nevada the smallest, 51,470. New Mexico has the smallest percentage of radio ownership, 92.5 per cent.

Campaign's Ben Mighty Confusing, These Voters Claim

NAPOLEON, N. D. (U.P.)— If you are having trouble keeping your political candidates straight, read this and your problems will seem as nothing.

In North Dakota there are two office seekers named Ben Meier.

One is running for state tax commissioner, a non-partisan office. The other is a candidate for agriculture and labor commissioner on the Democratic ticket.

Both were born in Weigel township southwest of Napoleon. The parents of each name came from the same part of Europe.

Each married school teachers who taught in Napoleon schools.

Each has two children, and both have been in the isurance and oil lease business.

Ben W. Meier, also known as Barney or B. W., is Napoleon city auditor and candidate for agriculture and labor commissioner. The other Meier is in the oil business in Bismarck. He's running for tax commissioner.

Your move.

SENATOR McCARTHY'S GREAT SERVICE TO US ALL

55 Clinton Place
New York 53, N.Y.
August 24, 1952

Mr. John B. Chapple
Editor Ashland Daily Press
Ashland, Wisconsin
Dear Sir;

I have never met, seen, or spoken to Senator Joseph R. McCarthy of Wisconsin. I don't know if he is a devil or a saint. But this I do know; every Communist, pro-Communist and fellow traveler has one thing in common. His prime objective the defeat or elimination of Sen. McCarthy by any and every method. This is more important to them than who is the next president, or the outcome of the Korean War.

There is a Communist Party headquarters just five blocks from where I live in the Bronx. There are many throughout New York City. The Communists are very outspoken. Under our form of free government, they are and should always be, entitled to free speech. It is also a good way to find out what they think.

The Communists want Senator McCarthy beaten because they can then call it a "mandate" to stop all investigations of Communism in the government, to abolish the loyalty probes, and to repeal the Mc Carran Act. Most of all they want to scare loyal Americans from ever again speaking out against the Communist threat. They want to show that their organized campaign can beat down anyone who opposes them.

You can be sure that there is a tremendous amount of money, literature, and talented speakers pouring from New York City to Wisconsin for the purpose of beating your Senator. If all loyal citizens of Wisconsin would spend one week in New York City, none would hesitate to vote for Sen. McCarthy.

Very truly yours,
Eric Tarnley.

P.S.- I hope this in my small almost hopeless way, in comparison to the Communist organization, this letter can reach the grass roots of Wisconsin. Should you see fit to print it, please send me a copy of your paper, the price of which, plus postage, I would immediately remit.

I read your article in the "Joe McCarthy Club," and like this writer, will do what I can to help the same goal.
