**TIP OF THE MORNING:** The Stand Rock Indian ceremonies at Wisconsin Dells will begin their 1953 season June 27. Performances will be at 8:30 p.m. daily through Labor day.

SINGERS, instrumentalists, novelty performers, and other entertainers in the Madison area will have a chance to compete for national honors on "New Talent, U. S. A.," under arrangements completed Friday between WIBA and the National Broadcasting Co.

The series of weekly two-hour talent quests will begin tonight, and will be heard at 6:30 over WIBA and WISN-FM. Each week, four cities will be represented on the show; tonight's list includes Milwaukee.

Madison will be on the air Saturday, Aug. 22. This gives prospective contestants time to hear the show often and get an idea of the kind of talent which is most successful.

A series of auditions will be conducted by WIBA before the nationwide broadcast, with judges selecting several acts to compete for prizes and a place in the finals in New York City.

**GARDEN PARTY:** Patricia Runstrom Secliger, harpist, will play at the annual garden party of the YWCA's World Fellowship committee, to be held Sunday in the garden at Mrs. L. M. Hanks, 525 Wisconsin ave.

**BOY SCOUT CIRCUS:** Approximately 3,000 Boy Scouts of the State Line council will appear in a three-ring circus at tonight in front of the grandstand of the Walworth county fairgrounds at Elkhorn.

The Elkhorn high school band will open the show, with Cub Scout clowns performing before the "grand entry" heralds the 15

## McCarthy's Free Mailing Activity Will Be Checked

WASHINGTON (UP) — Postmaster General Arthur E. Summerfield asked his staff Friday for a report on the free mailing activities of Sen. Joseph R. McCarthy (R-Wis.).

McCarthy Thursday accused Sen. Herbert H. Lehman (D-N.Y.) of committing a "rather gross abuse" of the congressional franking privilege. He said Lehman tried to mail out 100,000 letters on "creeping McCarthyism" without postage.

Lehman replied that it was only 1,000 letters and the franking privilege was not involved. He said the postoffice tried to collect from McCarthy last year for the free mailing of advertisements for his book, "McCarthyism, the Fight for America."

There is no penalty attached to abuse of the free mailing privilege. The only recourse is to ask the person involved to pay for the postage.

It is customary for senators to insert into the Congressional Record speeches they make outside of the Chamber, thus qualifying them for the Senate floor.

## U. S. Guarantees City Firm's Investment

WASHINGTON (UP) — The U. S. government has given the first U. S. government guaranty for protection of an investment in Denmark, it was announced here Wednesday by the Mutual Security Agency (MSA).

The guaranty, covering an eight-year period, means that the U. S. government will make up any unfavorable exchange conditions between dollars and Danish kroner.

A company in Denmark is paying patent royalties to Ray-O-Vac, and if Ray-O-Vac should be unable to convert the Danish currency from the investment into American dollars through regular channels, the government would convert the money.

The guaranty, however, ends at \$182,500.
