SELASSIE IN GREECE

CORFU, Greece, July 28 — (AP) Emperor Haile Selassie of Ethiopia arrived on Greek soil today aboard the Yugoslav frigate Galeb. The Greek cruiser Elli and the island's defense guns greeted him with 21-gun salutes.

The emperor went directly to the orthodox church of St. Spyridon for prayer, then sailed for Athens. He is due there tomorrow for a state visit to King Paul.

Since his recent visit to the United States, Haile Selassie has been an official guest of President Tito in Yugoslavia

NORWALK FORUM TO AIR SCENT FROM CITY DUMP

NORWALK, July 28 - The controversial city dump, whose occasional fires spread an uncomfortable odor over the city, will be the subject discussed at the 62nd session of the Fairfield county forum, Sunday over WNLK, radio Norwalk, at 6 p.m.

Henry Davis Nadig is producer and moderator of the forum.

"What Can Be Done About the Norwalk City Dump?" is the subject upon which the following are slated to speak: Mayor Irving C. Freese, Public Works Commissioner Paul J. James, Fire Chief Charles A. Volk and City Councilman John A. O'Connor.

Mr. Nadig said he had asked Stetson Holmes, of Westport who has appeared occasionally on the forum to serve as guest moderator.

It's the Hit that's writing New History

TAKE a look, if you please, at the car and the styling that are changing historic sales standings.

Take a look at the beauty and the buy called Buick—the car that is forging ahead to new sales heights in the 1954 market.

Take a look at the new best seller that has moved into the "Big Three" of the nation's top sales leaders—into that very exclusive circle that for two decades has held only the so-called "low-price three."

For today, as national sales figures for the first five months reveal, Buick is outselling *all* other cars except *two* of these "low-price three." *And each month firms Buick's new position.*

It takes solid worth to bring this about—a lot more automobile per dollar in Buick than in other cars.

But it also takes the glamorous new tomorrow styling that is Buick today. It takes the highest V8 horsepowers. Series for Series, in all Buick history. It takes the room and comfort and ride and handling that are Buick's proud tradition.

And it takes a range of cars to satisfy a wide range of people—with prices that most people can well afford. So you find the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built ROADMASTER—the four big reasons for Buick's tremendous sales success.

Come in for a demonstration and you'll see what we mean.

With the years-away styling of this glamor car, you'll be way ahead at resale time. And right now you're money ahead with the big trade-in allowance our volume sales can bring you. Drop in this week.

Buick Sales are Soaring!
