

# Dinah Shore, GI Favorite, On "Everything For The Boys"

Dinah Shore, who just has returned from the fighting fronts, will get a chance to talk with women there via two-way shortwave when she is Dick Haymes' guest on "Everything for the Boys" Tuesday, over WEAf at 6:30 p. m., Lima time.

The songstress, who was recently voted the G. I. favorite in a world-wide poll, joins forces with Helen Forrest, who came in second, for a few numbers to be beamed overseas.

Gordon Jenkins, who was Dinah's maestro a few seasons back, directs the orchestra, and Frank Martin announces.

Judy poses as a mother, to win the attention of the school doctor, in private practice a pediatrician, and there are many comic developments, in "A Date with Judy," on Tuesday, at 7:30 p. m., over Station WEAf. The baby in question is one Judy is taking care of, and her ruse works well enough so that literature on the care of babies starts arriving at the Foster home. The only trouble is that it arrives addressed to Judy's mother, whose name Judy has adopted. Father is elated . . . until he finds out the true state of affairs. Louise Erickson stars as Judy, with John Brown, Myra Marsh and Dix Davis in important supporting roles.

A new and hitherto unknown author, Cpl. Frederic Methot, will

be presented to the radio public when Geoffrey Barnes, genial host of the Mystery theatre broadcasts, offers "Comic Strip Murder" as the program of Tuesday at 8 p. m., over WEAf.

Paulette Goddard stars as a 10-cent store clerk with an ambition to marry a man with money, when "This Is My Beat" presents Dorothy McCleary's "This Is the One," on Tuesday at 8:30 p. m. over Station WABC.

## BOOST SET ASIDE OF CANNER BEEF

WASHINGTON, Oct. 17.—(AP)—Meat packers operating under federal inspection were instructed today by the War Food Administration to set aside 80 per cent of all canner and cutter beef for government procurement. The announcement said the action was taken to obtain quantities essential to overseas military operations and other war uses.
