

Lucille Ball To Guest-Star On 'Twenty Questions' Show

Lucille Ball, lovely titian haired star of the screen, will join the panel of regulars on radio's version of the old parlor game "Twenty Questions" at 7 p. m. Saturday over MBS.

Barney Oldfield, colorful racing and motoring figure, guests on the Dick Haymes Show" at 7 p. m. Saturday over CBS as part of the Golden Jubilee celebration commemorating the 50th anniversary of the automobile industry.

It will be a two-way hookup between Hollywood and Detroit airing his colorful reminiscences from the motor capital, while Haymes and Miss Forrest participate in the industry tribute from the West Coast.

Because previous appearances of Ted Malone as male guest on "Leave it to the Girls" have thrown the glamor girl panel into a state of hilarious confusion, the girls will strengthen their ranks for their next battle of wits with the "Terrible Ted" by the addition

of Harriet Van Horne, witty young radio editor of the New York World Telegram for the broadcast at 8 p. m. Saturday over MBS.

A series of summer concerts, with a weekly roster of guest soloists, an orchestra and chorus under the direction of Henry Weber will be presented by the "Chicago Theatre of the Air" starting at 9 p. m. Saturday over MBS.

Taking his stand against permitting the fair city of Bellport to welcome those rowdy baseball

players, John McGraw's Giants of 1905, Jonathan Trimble, Esq." as played by Donald Crisp, meets up with the famous pitcher, Christy Matthewson, in the latest episode of the MBS comedy-drama series of the gas-lit era at 8:30 p. m. Saturday.

FINGERPRINTS FOUND

CINCINNATI, June 1—(INS)—Cincinnati police revealed today they had obtained the print of a blood-stained finger from the taxicab in which Albert Koeninger was slain early Wednesday. A comparison of the print with those of Koeninger's showed it not to be that of the victim.

WEATHER BY A HAIR

The U. S. War Department uses human hair on some of its delicate meteorological instruments. The hair is used to register contraction and expansion, and is carried to heights of 60,000 feet in balloons, but only the hair of blondes will do.
